Ceramic Workshops for

AMOCA offers **FUN** and educational workshops for its visitors. Create a piece of artwork by pinching, coiling, or rolling slabs! Projects include functional pieces such as cups, plates, vases, lidded boxes, or even lanterns. Fun for the entire family!

Great for the following groups:

After-School Programs, Birthday Parties, Boy Scouts, Church Groups, Girl Scouts, Families, Schools, Youth Groups, and more!

Workshop Includes:

- Docent-Led Museum Tour
- Field Guide Worksheet
- Instructor
- Clay Materials
- Firing

For more information about booking and pricing, please contact Angie Reyes, Education Coordinator at areyes@amoca.org or at 909/865.3146 ext 105.
